## **Everybody, Somebody, Anybody, Nobody**

A team had four members called **Everybody**, **Somebody**, **Anybody**, and **Nobody**. There was an important job to be done. **Everyone** was sure that **Somebody** would do it. **Anybody** could have done it, but **Nobody** did it. **Somebody** got angry about that because it was **Everybody's** job. **Everybody** thought **Anybody** could do it.

Nobody realized that's **Everybody's** job.

**Everybody** wouldn't do it. It ended up that **Everybody** blamed **Somebody** when **Nobody** did what **Anybody** could have done.

SECURE   
YOUR VOTE  
— VIRGINIA —

**Secure Your Vote Virginia** is a major focus for Governor Glenn Youngkin and a significant part of his effort to hold the House of Delegates and flip the Virginia State Senate. Because your vote matters!

Here's the truth: we can't go into Election Day in Virginia this November down thousands of votes.

That's exactly why Governor Youngkin, in partnership with the Republican Party of Virginia, the Republican State Leadership Committee, and the House and Senate Caucuses launched **Secure Your Vote Virginia** to make it easy to vote **before** Election Day.

Governor Youngkin needs you to vote...early! Here's how:
